Cengage Advantage Books: Knowledge, Nature, and Norms Mark Timmons, David Shoemaker

Find everything you need for a solid introduction to philosophy with this brief, powerful text. One of the most concise introductory philosophy anthologies available, KNOWLEDGE, NATURE, AND NORMS: AN INTRODUCTION TO PHILOSOPHY, Second Edition features classical philosophy readings, short fiction, and literature from popular writers, as well as a wealth of effective learning tools. Concise, well-edited selections are designed to give first-time philosophy students what you need to succeed--a well-crafted focus on the essential elements of philosophical debate. Integrated learning tools, such as a comprehensive introductory essay at the beginning of the text, provides an overview of how to approach philosophy. Engaging Chapter Introductions highlight key arguments, while Reading Comprehension and Review Questions draw your attention to key ideas. A robust companion website further enhances learning with self-assessment exercises, study guides, and links to philosophical and other helpful resources. With this anthology, you'll find a complete range of philosophical topics, including key issues in epistemology, metaphysics, and ethics. This thorough introduction is all within a book that's one-third the length of a typical anthology for cost savings and unmatched clarity.
