The hero of our story - the energetic and often frightened Ethan Miller - has lost his friends in the land of Minecraftia.

Or rather, his father grounded him for coming home late and his friends all wandered off without him.

Now that he's back, he must learn to use his mostly quick wit, his kind of good combat skills and usually keen sense of direction to figure out just where everyone is.

This will lead him on a long and dangerous journey across the world of the surface and the world that exists in the depths of Minecraftia. Along the way, Ethan will be forced to walk for days and days, confront dangerous monsters and dig deep into the ground to find the prizes that wait there.

How long will his journey last and will he ever discover where his friends are?

If he can survive the terrifying obstacles that stand in his way, he just might find what he's looking for in the end.

With charming illustrations and creative storytelling, Diary of a Wimpy Person: The Endless Journey! is a must-read for any kid who loves Minecraft. Kids ages 7-14 (even reluctant readers) can't wait to "dig in" to these Minecraft Adventures!
