**Meet the people who make it all happen?the planners, the photographers, the musicians who have helped orchestrate the perfect day for countless couples?as they find their own happy endings in the second Year of Weddings novella collection.**

Can two left feet lead to one perfect romance?

Grant Nichols is a genius in the kitchen and a klutz on the dance floor. But his friend's wedding is shaping up to be a shindig the likes of which Kings Meadow has never seen?including dancing. Lots of dancing. Then he learns that a local dance teacher, Skye Foster, is offering dance lessons for the wedding party. The first lesson is free, so what does he have to lose?

A former rodeo queen, Skye Foster teaches children ballet and tap during the day, but with the popularity of ballroom dancing and her own love of Country Swing, she's been teaching adults in the evenings.

Grant comes from a family of ten siblings. He was the second oldest and believes he's had his fill of little rug rats. He's happy with his bachelor state, despite the fact that he's given up his ladies' man lifestyle. Even he admits to his wilder nature and has been trying to clean up his act, with God's help.

Skye, on the other hand, loves being around kids. She would love to find the right guy and settle down to have half a dozen children of her own.

Grant and Skye are no match on paper. But when they step onto the dance floor, they create a melody all their own.
