## **Poesía completa** Jorge Manrique

En la dolorosa elegía que dedico a la muerte de su padre, JORGE MANRIQUE supo condensar, con palabras validas en cualquier tiempo y lugar y con unas formas metricas adecuadas a la fluidez del pensamiento, los principios de la filosofia cristiana referidos a la fugacidad e inconsistencia de las glorias humanas, al poder igualatorio de la muerte y a la inestabilidad de la Fortuna. Tambien en su poesia amorosa estan atenuados los virtuosismos y alambicamientos que sus contemporaneos prodigaron en la recreacion de conceptos trovadorescos y cortesanos de larga tradicion. Mas fieles a la retorica de las cantigas de escarnio y de maldecir se presentan sus composiciones burlescas. La presente edicion de su POESIA COMPLETA, acompanada de abundantes notas y un extenso prologo, ha estado a cargo del medievalista angel Gomez Moreno.
