**The Timetraveller's Guide to Medieval London** Christine Kidney

It's all here:

- The stinking streets and hovel houses
- Choice medieval diseases—plague, smallpox, leprosy—and how to get them
- Rotten rulers and gruesome tortures
- A day in the life of a London serf
- The real Dick Whittington
- Richard III and the princes in the Tower
- The creepy clergy and naughty nuns
- Hotel rates at the Bloody Tower
- Streamline lavatories and the new hygienic sewerage systems (only kidding!)
- Petty crimes and savage punishments

Famine, the Black Death, impossible taxes, open sewers in the middle of the streets, livestock in your living room and criminal kings are just some of the pleasures of the city at its smelliest and vilest moment.

#### **Jesus Rhode:**

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's soul or real their passion. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this The Timetraveller's Guide to Medieval London can make you really feel more interested to read.
