Life After Juliet

Shannon Lee Alexander

Life After Juliet Shannon Lee Alexander

Becca Hanson is a reader—a voracious reader. She'd rather hang out with Harry and Ron than go on a date or surf the internet. But Becca's also seen a Thestral. Since her best—and only—real friend Charlotte's death, Becca's read 108,023 pages, and she's not about to let anything, or anyone, keep her from reading 108,023 more.

Until she meets Max. He's experienced loss, too, and his gorgeous, dark eyes see Becca the way no one else in school can. But Becca's already lost so much...she's not about to lose her heart, too.

The companion novel to *Love and Other Unknown Variables* is an exploration of loss and regret, and a celebration of hope and discovering a life worth living again.
