Richard Meier: Houses 1962/1997 Richard Meier, Paul Goldberger

This oversized book presents 14 built American houses by one of the world's most influential and widely emulated architects. New color interior and exterior photography as well as drawings, plans, clients' personal reflections, and the architect's insight accompany each house. With a chronology of all of Meier's built and unbuilt residential projects, this is a most beautiful and valuable reference for admirers of his work.
