The Divine Dance: The Trinity and Your Transformation Richard Rohr

What if changing our perception of God has the potential to change everything?

God is not what you think. Visions of an angry, distant, moral scorekeeper or a supernatural Santa Claus handing out cosmic lottery tickets to those who attend the right church or say the right prayer dominate our culture. For many others, God has become irrelevant or simply unbelievable.

In *The Divine Dance*, Fr. Richard Rohr (with Mike Morrell) points readers to an unlikely opening beyond this divinity impasse: the at-times forgotten, ancient mystery of the Trinity—God as utterly one, yet three.

Drawing from Scripture, theology, and the deepest insights of mystics, philosophers, and sages throughout history, Fr. Rohr presents a compelling alternative to aloof and fairytale versions of God:

One God, belovedly in communion, as All-Vulnerable, All-Embracing, and All-Given to you and me.

The Divine Dance makes accessible and practicable the Christian tradition's most surprising gift...

God as Community...as Friendship...as Dance.

Are you ready to join in?

Finding the sweet spot where contemporary science meets ancient mysticism, and theology meets poetry, *The Divine Dance* sketches a beautiful choreography for a life well-lived. In our joy or our pain, true life is always relational, a flow, a dance. (And was always meant to be.)—Bono, U2

This is Richard in peak form, doing what he does best: showing you how the best ideas for the future have actually been here, in the Jesus tradition, the whole time.... Our favorite Franciscan has done it again!—Rob Bell, *Love Wins*

Richard Rohr is one of the great spiritual masters of our time, indeed of any time.... The Trinity will of course always remain a profound mystery, but after reading Father Rohr's book, you will experience it as a mystery that can, and will, transform your life.—James Martin, SJ, *Jesus: A Pilgrimage*

The Divine Dance is an example of why Rohr has had such a profound influence on so many Christians seeking to balance reason and mystery, action and contemplation, not to mention faith and real life.—Nadia Bolz-Weber, *Accidental Saints*
