Julie has loved rock climbing for as long as she can remember. What's more, she's good at it. Very good. So it only seems natural for her to do all she can to make a career out of it. But it's not easy. Not when there is so much resistance to women guides in the field ... and not when macho know-it-alls like David Hales keep showing up--and showing her up! Sure, David is internationally recognized. Sure, he's won competitions and awards. But that doesn't mean he's better than she is. All she has to do is convince her boss ... and herself. But what Julie doesn't know is that David isn't out to take her job. As a matter of fact, he's got something much different in mind ... something that has nothing to do with jobs or even rock climbing--and everything to do with love and faith in God.
