"Your legacy, regardless of where you are in your leadership journey, starts now. Leading well now means finishing well later." - Brad Lomenick

We need great leaders. More than ever we need authentic, collaborative, inspiring men and women of integrity at the helm of society- and too often our leaders fall short. Some focus on personal success, alienating those they lead. Others shift their principles when it is convenient.

There is a better way. You can energize and inspire the people around you. You can equip a team of principled collaborators to answer God's calling. You can be a catalyst leader.

In *The Catalyst Leader*, Brad Lomenick describes the skills and principles that define a true change maker. This book offers eight key essentials by which a leader can influence others and make a difference, laying out the path to the keys for becoming an effective leader.

Lomenick shares wisdom, practical knowledge, and stories of success and failure from his own journey of running Catalyst, one of America's most influential leadership movements. And the lives of dozens of leaders around the world- from the creators of famous reality show to pastors, from ranch workers to a Silicon Valley designer. These men and women are living proof that good leadership inspires and innovates, while poor leadership leaves us with hopelessness and regret.

Leading can be a difficult road, and many choose to follow. But you can take a better path. Begin your journey to becoming a catalyst leader.
