## **The Infinite Atonement** Tad R. Callister

The Infinite Atonement, perhaps the most comprehensive yet understandable treatment of the Atonement in our day, is now available as an unabridged audio book. In this work, Elder Tad R. Callister thoughtfully examines the infinite scope of this great and last sacrifice. Using the scriptures and the words of modern prophets, he explores the Savior's divinity and depth of His love for mankind. He explains the blessings that flow from the Atonement, providing insight into the Resurrection, repentance, and the gifts of peace, grace, and exaltation, and describes the relationship of justice and mercy. Through discussing the effects of the Fall of Adam, he reminds us powerfully of the incalculable debt of gratitude we owe Christ. The Atonement of Jesus Christ, Elder Callister writes, is the most supernal, mindexpanding, passionate doctrine this world or universe will ever know. With clarity, testimony, and understanding, The Infinite Atonement elevates our spirit as it teaches us rich and wonderful truths about this doctrine of doctrines.
