## **Web of Deceit: A Dewey Webb Mystery (Volume 1)** Renee Pawlish

It's 1949. World War II is over, but it has a way of haunting people for years to come. Gordon Sandalwood suspects his wife Edith is hiding something from him, and he asks Denver private investigator Dewey Webb to find out what. Dewey, toughened by his own war experiences, reluctantly takes the case, certain it will lead to nothing. But when he sees Edith rendezvous with a mysterious man, Dewey realizes his assumptions might be wrong. As he digs deeper to identify the stranger, he turns up secrets that reach back into the war, and as he unravels a web of deceit, he discovers who has the most to gain, and the most to lose. A historical mystery that's great for fans who love a traditional detective crime story with a noir flavor, but without a lot of sex or swearing. Dewey Webb first appeared in the Reed Ferguson mystery, *Back Story*. Pick up a copy of *Back Story* to find out more about this classic hard-boiled detective. Great Reviews for the Reed Ferguson private investigator series: Kirkus Reviews: The promising kickoff to Pawlish's comic mystery series, starring far-from-perfect PI Reed Ferguson. Pawlish earns high marks for plot construction, with twists and turns naturally unfolding as Ferguson, inexperienced but not incapable, feels his way through the case. A good-humored mystery series worth following. 5 star review: Oh how I've missed the Sam Spade and Philip Marlowe characters that saw me with a flashlight in the dead of night flipping pages to see what happened next. Thank you Ms. Pawlish for bringing back to life this long-lost art of the detective battling against all odds and getting to the bottom of things. - Maureen with zencherry book reviews

The Reed Ferguson mystery series:

- Book 1: This Doesn't Happen In The Movies
- Book 2: Reel Estate Rip-off
- Book 3: The Maltese Felon
