Air Force (U.S. Military Series)

Air Force (U.S. Military Series)

Now, more than 50 years after its founding, the United States Air Force celebrates its spirit and essence in this deluxe-format book. Essays on Air Force history and today's aviators focus not only on the planes, helicopters, rockets, and technology but also on the special people that make it all work. Hundreds of full-color and vintage photography, portraits, recruiting posters, and historically inspired paintings complement the informative text. Written by a team of qualified historians, specialized authors, and associated experts, The Air Force links pilots past and present to America's first brave flyers, the Wright brothers.
