## **Applying Moral Theories** C. E. Harris

How do you apply ethics or "common morality" in the real world? **APPLYING MORAL THEORIES** introduces you to the major ethical theories then shows you how to apply them in real-world settings. Examining egoism, natural law, utilitarianism, respect for persons, and virtue ethics, this text encourages you to break down ethical deliberations into four classes of concerns: factual, conceptual, application, and moral. the book's driving claim is that "common morality," or the stock of moral ideas that most people in our culture share, cannot be captured in a single moral theory, but that each of these theories highlights an important aspect of common morality.
