Art of Acadia David Little, Carl Little

The Mount Desert Island and Acadia region of Maine has been the subject of artists for hundreds of years and many of America's most celebrated painters have been inspired here. From Thomas Cole to Richard Estes, painters have captured the exquisite beauty of the island on canvas. Their work has drawn visitors year after year and helped inspire the preservation of its extraordinary natural beauty through the creation of Acadia National Park. This view of the region through the works of talented artists grants a new perspective to our collective appreciation of this unique convergence of land and sea.
