Jobs...

Families...

Normal lives...

And... most importantly, making music because they want to...

Now, their faithful fans all have the same burning question.

*Will there ever be another Audio Distortion record?*

Or... is it time for the world to accept that they are done?

This time, it starts with two bands - one that needs help, and one that is losing interest.

The catalyst is a song, written years earlier, and then lost to life.

And of course, it ends up being about a new generation of musicians - waiting in the wings.

Once all of these combine, *Audio Distortion* once again, finds themselves back in the fast lane...

This time, however, it is the interest and passion of *their children* that will bring back the band critics keep saying, '*simply never seems to go away*', ***One More Time***.

Join Emma, Emily, Stanley, Cadi, and Willie, as they give the music world, and their dedicated fans, a final farewell...
