**Babies Are Noisy: A book for big brothers and sisters including those on the autism spectrum** Anne-Marie Harrison

When Andre starts to notice Mummy's tummy getting bigger, it's the start of lots of changes for his family. My Baby is on his way and he's bringing lots of noise with him!

This engaging illustrated children's book is ideal for preparing young children age 3+ on and off the autism spectrum for the arrival of a new brother or sister. Covering everything from trips to the hospital, what to expect when the baby arrives and the fun, family times to look forward to, 'Babies are Noisy' is mindful of how children with autism think, learn and experience the world and is full of strategies for coping with the sensory issues and routine changes that a new baby brings.

Reflecting the real life situations that families with a child with autism find themselves faced with, this book can be read with parents and professionals to prepare the child for the arrival of their new sibling.
