There typically comes a time in every woman's life when she reflects on her life's journey and on the challenges as well as the joys she has encountered. She may question choices made and those dismissed, and ask herself whether her decisions have been wise. Through the power of poetry, Marilyn Loy Every captures these moments in women's lives. Dr. Loy Every rouses women to awaken their inner sage and claim their own abundance of unique wisdom gained through the experiences of their daily lives. In "A Fire in the Well," she highlights themes of authenticity, passion, compassion and vision, to inspire women to understand that they hold the key to the powerful emergence of their own internal wise sage. This inspiring poetry provides a thought provoking impetus for women to honor their personal stories. It is a call to allow the wisdom gained from each woman's unique life journey to be heard and understood.
