**In the final book in Melody Carlson's popular series, the four Lindas learn that life doesn't stop for the holidays and even a cruise can rock your boat.**

**Here's to Friends** carries our favorite fifty-somethings through the holidays to a New Year cruise to a romantic hometown wedding with plenty of bumps in between. As they struggle to reinvent themselves at midlife—coping with marital woes, a creative crisis, a financial tsunami, a prodigal child and (scariest of all!) a home remodel—Abby, Janie, Caroline and Marley must all come to terms with the need to give their worries over to God. And they learn once more that in your fifties, friendships aren't just fun. They're an absolute necessity!
