Nutrition in Dentistry CD-ROM Linda J. Lolkus RD MS, Mary Cooper RDH MEd

This interactive CD-ROM provides dental hygiene students with information on nutrition and its dental implications. It can be used for self-study, as an adjunct to a text, and as a review tool for the national board examinations.

The CD-ROM contains numerous illustrations, not available through any other source, of clinical/oral manifestations of nutritional deficiencies. Students can compare and contrast similar symptoms of nutritional deficiencies and their causes. Also included are animations showing processes related to nutrition and dentistry. Each unit begins with a subject outline and ends with board review questions, answers, and rationales.
