Hot on the heels of last year's runaway success, *Porn for Women*, the female pornographers from Cambridge are now tackling the fantasies of new mothers. What really turns them on? The CWPC locked themselves in the lab for months to find out. And the results are in this scientifically proven, steamy photo collection of hunky guys doing exactly what new mothers want. Prepare to enter a fantasy world, a world where men insist on changing diapers, where guys get up for 3 a.m. feedings, and where they just can't help but admire mom's sexy all-sweatpants wardrobe. Page after page of titillating shots and dream-worthy captions will make every mother swoon. In fact, it might just leave her begging for more. . . . Oh, daddy!
