For years, I faced the same struggles as you are now. Always getting advice from my friends but never improving. "Play the ball off your front foot!" or "Slow Down," they would always tell me. But I just wasn't getting any better. Fortunately, I took a job in the golf business. At this point, I was able to work with some of America's top golf instructors, and I realized that they were not telling me any of the advice my friends told me. In fact, often times, they were telling me the exact opposite. As a result, I have made it my mission to Save Every Golfer on Planet Earth from Miserable Golf! That is why I have created Seven Golf Myths That Are Destroying Your Game. Take this very seriously and never allow anyone to tell you any of the golf myths without first proving their advice.
