Join Adrian and Super-A on a new everyday adventure with their fun little friends. The adorable life lessons are introduced by a superhero any child can identify with, a thumb with clever rhymes, a train collecting pictograms in his wagons, and of course the resourceful Little Miss Trigger. Adrian and Super-A is an interactive book series, tailored for kids with autism and ADHD, but suitable for any curious kid. In this second book your child will find the answers to many important questions from everyday life: When do we need to ask an adult for permission? How do we take turns to decide what to play? How do we get ready in the morning ... and what if our favorite T-shirt is dirty or the socks just don't feel right? The Adrian and Super-A books and workbooks are available in other languages, and the first book received the Readers' Favorite 5-Star Seal.
