## **Findings** Kathleen Jamie

It's surprising what you can find by simply stepping out to look. Award-winning poet Kathleen Jamie has an eye and an ease with the nature and landscapes of Scotland as well as an incisive sense of our domestic realities. In *Findings* she draws together these themes to describe travels like no other contemporary writer. Whether she is following the call of a peregrine in the hills above her home in Fife, sailing into a dark winter solstice on the Orkney islands, or pacing around the carcass of a whale on a rain-swept Hebridean beach, she creates a subtle and modern narrative, peculiarly alive to her connections and surroundings.
