The Animals of Greenback Valley: "The Magic Card" Gary Styczynski

The Magic Card is the first book of my financial series for children. It starts to introduce you with the wonderful characters of Greenback Valley. A young and easily excitable Matthew Monkey has a dilemma that many of us have experienced; we can't afford to buy everything we want. Matthew is saddened by his lack of carrot's (Greenback Valley's official currency) and finds himself with an interesting proposal. Sammy Snake makes Matthew an offer he can't refuse, the use of a Magic Card. Matthew goes on a "wild" spending spree with his friends. Its magical attributes are soon found to be quite ordinary, when Matthew is asked for payment. Matthew learns a lesson in credit cards that he'll soon never forget.
