The Comedy of Errors: Third Series (Arden Shakespeare) William Shakespeare

Shakespeare's dextrous comedy of two twin masters and two twin servants continually mistaken for one another is both farce and more than farce. *The Comedy of Errors* examines the interplay between personal and commercial relationships, and the breakdown of social order that follows the disruption of identity. As well as detailed on-page commentary notes, this new edition has a long, illustrated introduction exploring the play's performance and critical history, as well as its place in the comic tradition from Classical to modern times.
