## **All You Need To Know About Action Research** Jean McNiff

What is action research? Why do action research? When should you use action research? In the second edition of All You Need to Know about Action Research, expert practitioners Jean McNiff and Jack Whitehead guide you through everything you need to know to plan and carry out a successful action research project. The book provides: - A guide to the history and philosophy underpinning action research - Comprehensive coverage of the main theoretical debates in action research - A unique understanding of how action research can help your learning and your professional practice - Practical help in planning your project - Help with writing about your research and disseminating your findings. The second edition has been thoroughly updated throughout, and now includes new real-life case studies from Education, Health and Business. A new chapter on reviewing the literature has been added and the sections on data gathering and analysis have been updated to take into account the latest technological advances. This easy-to-follow overview of action research is essential reading for students, practitioners and seasoned researchers alike.
