Dark Descent: Diving and the Deadly Allure of the Empress of Ireland Kevin F. McMurray

Two years after *Titanic* came another ship disaster of equal magnitude

"The most comprehensive and impressive account of the investigation of a shipwreck I've ever read. Kevin McMurray has revealed the secrets of the *Empress of Ireland* in a spellbinding read."

--Clive Cussler, bestselling author of Night Probe!

On May 29, 1914, after a collision in the Gulf of St. Lawrence, the *Empress of Ireland* sank in minutes, taking 1,012 passengers and crew to their deaths. The disaster shocked the world but then was forgotten with the torpedoing of the *Lusitania* and the engulfing cataclysm of World War I. Now, in *Dark Descent*, acclaimed author and diver Kevin McMurray revives the story of this forgotten maritime catastrophe.

Dark Descent takes readers down into the frigid depths to explore the controversies of the ship's fatal night and the many attempts to salvage her contents, from the first hardhat diver sent down to recover loved ones to today's "adrenaline junkies" who risk--and often lose--their lives in pursuit of the perfect descent.
