Illocality

Joseph Massey

Illocality Joseph Massey

"I find it refreshing and somehow also sobering to observe the way Massey sticks so closely to the perceptual world. Like William Carlos Williams, he challenges us to see the value in putting things in words."—Rae Armantrout, *American Poet*

Joseph Massey composed *Illocality* in his first year in western Massachusetts. Massey's austere landscapes channel the quiet shock, euphoria, and introspection that come with reorientation to place. His language fights apathy with grace and sensitivity. Here are poems with their eyes on seasons, plants, sunlight, and animals, all the while looking for stability and the language to describe it.

From "Parse":

*The speed
at which sleep's
fogged dialogue withers*

*into the present
noun-scape*

This rift valley

*A volley of
seasonal beacons*

Joseph Massey is the author of *Areas of Fog* (Shearsman Books, 2009), *At the Point* (Shearsman Books, 2011), *To Keep Time* (Omnidawn, 2014), as well as thirteen chapbooks and various limited-edition broadsides and folios. His work has also appeared in many journals and magazines, including *The Nation*, *A Public Space*, *American Poet: The Journal of the Academy of American Poets*, *Verse*, *Western Humanities Review*, *Quarterly West*; and in the anthologies *Visiting Dr. Williams: Poems Inspired by the Life and Work of William Carlos Williams* (University of Iowa Press, 2011), *Haiku in English: The First Hundred Years* (W.W. Norton & Company, 2013) and *Please Excuse This Poem: 100 New Poems for the Next Generation* (Viking Penguin, 2015).

From reader reviews:

Ruby Carter:

The reserve with title Illocality contains a lot of information that you can study it. You can get a lot of benefit after read this book. This particular book exist new knowledge the information that exist in this guide represented the condition of the world at this point. That is important to you to be aware of how the improvement of the world. That book will bring you inside new era of the syndication. You can read the e-book in your smart phone, so you can read that anywhere you want.

Brenda Evans:

Reading can called brain hangout, why? Because when you find yourself reading a book especially book entitled Illocality your thoughts will drift away trough every dimension, wandering in most aspect that maybe not known for but surely can be your mind friends. Imaging just about every word written in a book then become one form conclusion and explanation in which maybe you never get prior to. The Illocality giving you a different experience more than blown away your thoughts but also giving you useful facts for your better life with this era. So now let us demonstrate the relaxing pattern here is your body and mind will probably be pleased when you are finished studying it, like winning a sport. Do you want to try this extraordinary shelling out spare time activity?

Owen Neri:

Your reading sixth sense will not betray an individual, why because this Illocality publication written by well-known writer who really knows well how to make book that can be understand by anyone who also read the book. Written inside good manner for you, leaking every ideas and composing skill only for eliminate your own hunger then you still hesitation Illocality as good book not just by the cover but also by the content. This is one book that can break don't judge book by its protect, so do you still needing a different sixth sense to pick this!?! Oh come on your examining sixth sense already told you so why you have to listening to an additional sixth sense.

Sharon Edwards:

This Illocality is great guide for you because the content and that is full of information for you who have always deal with world and have to make decision every minute. This specific book reveal it details accurately using great manage word or we can state no rambling sentences in it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having Illocality in your hand like finding the world in your arm, information in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen small right but this guide already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt in which?
