This book is a celebration of all three Paddies. Paddy the Englishman, Paddy the Irishman and Paddy the Scotsman took up a collection for their church and the problem arose as to how much they should give to the church. 'I draw a line on the ground,' said Paddy the Englishman, 'And I throw all the money up in the air. What falls to the left of that line, I keep for myself and what falls to the right of the line I give to the church.' 'I draw a circle on the ground,' said Paddy the Scotsman, 'And I too throw all the money up in the air. What falls outside the circle I keep for myself and what falls inside the circle I give to the church.' 'I just throw all the money up in the air,' said Paddy the Irishman, 'And what God doesn't want he throws down again'.
