Hallmark features of *Property: Cases, Problems, and Skills*:

- Tightly and clearly organized, both substantively and visually
- Balance of classic and new cases
- Shorter than most other Property casebooks

For students:

- Visual aids include maps, diagrams, and photographs
- Chapter-opener maps provide a geographic “table of contents” of the cases to be considered in that chapter, and serve as a reminder of the competing visions of real property as a fungible market commodity, and as a unique place essential to personhood and community interrelationships
- Text clearly identifies the majority/minority/trend status of each rule, as relevant
- Post-case notes are relatively concise, and avoid the treatise-style references that sometimes frustrate students without sufficient pedagogical benefit
- Chapter Reviews include multiple choice and essay questions (with answers in the Appendix), and “Bringing it Home” statutory practice (guiding students in researching their state’s statutory coverage of selected topics likely to be regulated by statute)
