**The Twilight Zone: Shadow & Substance (The Twilight Zone: Shadow and Substance)** Mark Rahner, Tom Peyer, John Layman

There is a fifth dimension beyond that which is known to man. It is a dimension as vast as space and as timeless as infinity. It is the middle ground between light and shadow, between science and superstition, and it lies between the pit of man's fears and the summit of his knowledge. This is the dimension of imagination. It is an area which we call... the Twilight Zone. Dynamite Entertainment proudly takes you on a journey to wondrous lands in eleven new tales by all-star writers Mark Rahner, Tom Peyer, and John Layman, featuring artwork by Edu Menna, Randy Valiente, Rod Rodolfo, Colton Worley, and Jose Malaga. Collecting the complete four-issue "Shadow & Substance" miniseries, the "Lost Tales" and "1959" one-shot specials, and The Twilight Zone Annual 2014, this graphic novel anthology proves that the spirit of television's most groundbreaking science fiction program endures for generations anew!
