## **A Book for My Grandchild** Welleran Poltarnees

A book designed as a gift from any grandparent to any grandchild. All of us with grandchildren have the desire to share with them the wisdom that we have distilled from our own lives and to offer them this accompanied by loving wishes. Few of us can find the occasion of the words to make this gift. Welleran Poltarnees has the ability to say what we find it difficult to say, to find the right words to say it and, furthermore, the resources to beautifully illustrate each thought. Poltarnees, a grandfather himself, embodies his wishes for grandchildren in concrete images - trees in springtime to remind one of life's endless renewal, a flight of birds to represent the glory of freedom, and so on - a gift of beauty.
