Riding high on the success of *The Great Outdoor Fight*, *Achewood* and *Dark Horse Comics* have compiled an extensively annotated collection of the first few years' worth of *Achewood* comics. This is no mere companion volume to the cult-classic online strip: the entire prehistory of *Achewood* is set forth for the first time, and all of the celebrated alt-texts are included. Additionally, author Chris Onstad has literally littered the book with observations and rudities. *TIME* magazine named back-to-back Ignatz Award-winner *Achewood* its 2007 Graphic Novel of the Year, and legions of devoted fans consistently report that it makes them feel the way *Bloom County* and *Calvin and Hobbes* did when they were young.
