## **Walking, Thinking, Drinking Across Scotland** Tom Trimbath

Trimbath's walk across Scotland is not just a physical journey. It also explores the landscape of a life. - Susan Jensen, author of Cold Snap My walk across Scotland commemorated the tenth year anniversary of my corner-to-corner bicycle ride across America, Just Keep Pedaling. That ride changed my life, even though I didn't know it at the time. Ten years later I needed a vacation and wanted a nice, long walk, not a life-altering experience. What I got was both. From Stranraer to Aberdeen, and a string of points between, welcome to one man's search for his nightly whisky and Guinness that led him along unexpected paths. Tom Trimbath's work is truly inspirational and is a true reflection of how he never stops noticing and appreciating all the good things in life. Suzanne Kelman - Multi-Award Winning Screenwriter/Author
