Adam Had to Die Jr. Herbert J. Brunswick

Mainstream religious tradition teaches that Adam and Eve were created on the same day, the sixth day of creation week. On the contrary, there is a key to the creation story that goes overlooked and explains much more than a surface understanding offers. In *Adam Had to Die*, Herbert J. Brunswick, Jr. explains that the man lived alone in the garden for a certain period of time before the woman was created. The fall of Eden was necessary; despite divinity original sin had to take place. It was the necessary soil for the seeds God planted in created humanity to take root and bear fruit. This concept is difficult to believe, but Herb Brunswick helps you grasp it firmly in order to know the full truth of God's master plan.
