Long Gone John

Atavistic Avatar: the Cartoon Brut Art of the Pizz Long Gone John

One of the innovators of cartoon expressionism, The Pizz , whose graphics have graced pop culture magazines and record covers for 20 years, explores America's underbelly in violent, mesmerizing panels. This collection gathers his most popular work and provides a view of his artistic evolution. Underscoring the angry, surreal tenor of America's lowbrow, The Pizz creates an alternative to the phony glitz of today's disposable pop culture.
