Eyes of a Stranger Rachel Ann Nunes

On the first day of her new life, Tawnia McKnight finds herself in Oregon, her fifth state in ten years. Another new job, new friends, a heartache left far behind. Maybe in Portland she can at last find what she is looking for. Maybe she can even forget Bret Winn. But when a tragic bridge collapse rocks the city, Tawnia is thrust back in to the life of the man she thought she'd never see again. Then Bret introduces her to the eccentric Autumn Rain- a stranger with inexplicably familiar eyes- and Tawnia finds herself drawn into a web of confusion and deceit. Autumn's suffering over her mission father seems to be real, but there is much that cannot be explained. Will Tawnia find what she is looking for, or will everything she is beginning to care about slip once again from her grasp?
