Traumatic events leave a scar on broken lives. Unhealed trauma is one of the primary reasons why some people do not easily heal from the consequences of accidents or sudden shocks. This ground-breaking book is the culmination of thirty years of experience praying for such people. Peter carefully explains what trauma can do to people and how to pray for healing. This foundational teaching has been instrumental in bringing permanent healing to people all over the world. An essential manual for those who regularly pray for people - a life-transforming handbook for those who are struggling themselves with unresolved and unhealed issues - including the consequences of shock and injuries sustained in the military.
