Is evil a power or a negation without power? Is darkness substantial or is there substance only in light against which darkness cannot stand? Research by Rolf Witzsche. The book is designed to juxtapose the arrogant impositions of the world's imperial systems and the demands of their rulers, which have no principle to support their claim, against the substance of the principles of our humanity that in historic times have repeatedly brought the light of a renaissance to the dark ages of suffering and subjugation. The book explores our need and our potential for a profound new renaissance in our modern age. The research book presented here is Volume 4 of the research series, Discovering Infinity. The series was created over 15 years, beginning in the late-1980s, based in some degree on the work of Mary Baker Eddy and Lyndon H. LaRouche Jr..
