Pyramid Power

G. Pat Flanagan

Pyramid Power G. Pat Flanagan

A handsome new, affordably priced, edition of Dr. G. Patrick Flanagan's long out-of-print ground-breaking 1975 bestseller on the historical research and hard science behind the energy fields created by Sacred Geometry, *Pyramid Power* stands as the flagship sourcebook of its genre. Written by an acknowledged sage of scalar energies, Dr. G. Patrick Flanagan, director of Phi Sciences in Cottonwood, Arizona. The book, written in a unique format called 'ventilated prose' in order to allow the reader to absorb the depth and density of its information without cognitive indigestion, takes us on a fascinating overview of sacred energies and protocols throughout the centuries, such as prana, kundalini, chi, tumo and bioplasma, all diverse cultural labels for a transcultural reality perhaps best described as 'life energies.' Of it, scalar energies researcher Ken Rohla writes, in his introduction: Whether we realize it or not, pyramid researchers Dr. Alexander Golod, Dr. Valery Uvarov, Dr. Semir Osmanagic; nuclear engineer and scalar energy physicist Dr. Thomas Bearden, physicists Dr. Harold E. Puthoff, Dr. Konstantine Meyl, Dr. Konstantin Korotkov, and many, many others have all been influenced by Patrick's work. The knowledge in this book has been passed from person to person ad infinitum so many times that we who use this information in new applications often don't even realize the origins of our work trace back in great part to Patrick's discoveries. But *Pyramid Power* is about much more than pyramids and the strange phenomena they display. Patrick lays a foundation covering different types of subtle energies that have been observed and described throughout history, from mystery schools and esoteric practices to mainstream science and mathematics, connecting them to each other and pyramid energy. He shows the interrelationship or similarity of energies that have been called chi, prana, kundalini, life force, auras, biofields, morphogenetic fields, orgone, scalar waves, torsion waves, longitudinal waves, zero point energy, tachyon energy, biophoton energy, mitogenic rays, etc. The amount of knowledge referenced in *Pyramid Power* is impressive, even by today's standards when more is known about these concepts and we have the internet at our disposal. Just searching the internet for the many phrases in this book could keep a researcher busy for years. For example, searching on just a handful of phrases like "Pavlita generator," "psychotronic twirler," "Hieronymus machine," "Anaximander," and "Alexander Gurwitsch" now brings up mountains of material for further research. Patrick Flanagan has always been ahead of his time. . . The ideas presented here can or have already lead to: decentralized "free energy," technologies weather modification technologies, including nontoxic counters to toxic (and profit-driven) geoengineering methods for neutralizing radioactivity and radioactive elements (a less-than-popular idea with the nuclear power and weapons industries) water purification technologies earthquake prevention technologies (proven by Alexander Golod) physical, mental, and emotional healing technologies and many more technologies some yet to be discovered. Arthur C. Clarke once said "the only way of discovering the limits of the possible is to venture a little way past them into the impossible." I hope this book continues to inspire others to reach for the "impossible"—and I hope it will inspire you to perhaps unlock some of the secrets of the universe for yourself! Ken Rohla *Pyramid Power* remains a bold breakthrough to the reality of the quantum dimension and the zero point portal that form the unseen infrastructure of our very earthly existence, which science is only now probing.

From reader reviews:

Luis Vargas:

A lot of people always spent their very own free time to vacation or even go to the outside with them family members or their friend. Did you know? Many a lot of people spent that they free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity that's look different you can read the book. It is really fun in your case. If you enjoy the book you read you can spent all day long to reading a publication. The book Pyramid Power it is rather good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. Should you did not have enough space bringing this book you can buy the particular e-book. You can m0ore simply to read this book from the smart phone. The price is not too expensive but this book features high quality.

Theresa Wilkins:

People live in this new day time of lifestyle always make an effort to and must have the spare time or they will get lots of stress from both way of life and work. So , whenever we ask do people have free time, we will say absolutely of course. People is human not only a robot. Then we question again, what kind of activity do you possess when the spare time coming to you actually of course your answer can unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative inside spending your spare time, often the book you have read is usually Pyramid Power.

Raymond Striegel:

Reading a book to become new life style in this year; every people loves to learn a book. When you examine a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, this sort of us novel, comics, and soon. The Pyramid Power provide you with a new experience in looking at a book.

Floy Knowles:

Beside this Pyramid Power in your phone, it could possibly give you a way to get closer to the new knowledge or facts. The information and the knowledge you might got here is fresh in the oven so don't possibly be worry if you feel like an previous people live in narrow village. It is good thing to have Pyramid Power because this book offers for your requirements readable information. Do you occasionally have book but you seldom get what it's interesting features of. Oh come on, that will not end up to happen if you have this in your hand. The Enjoyable blend here cannot be questionable, just like treasuring beautiful island. So do you still want to miss the item? Find this book as well as read it from at this point!
