Reclining Nude

Lidia Guibert

Reclining Nude Lidia Guibert

Sensuous, voluptuous, provocative-the female form has inspired artists for centuries, making the female nude perhaps the most common subject in the history of painting. Oriented horizontally to effectively highlight the art, *Reclining Nude* is a feast for the senses, featuring 120 glorious masterpieces of the genre. Giorgiones catalyst *Sleeping Venus*, Titians unabashed *Venus of Urbino*, Manets *Olympia* gazing at the viewer, and Franois Bouchers flirtatious *Brown-Haired Odalisque* are but a few of the artworks to be admired afresh on these pages. *Reclining Nude* is a delightful gift and an inspiring study: a collection of art as stunning as the human forms within it.
