The Lusíads (Oxford World's Classics) Luís Vaz de Camões

1998 is the quincentenary of Vasco da Gama's voyage via southern Africa to India, the voyage celebrated in this new translation of one of the greatest poems of the Renaissance. Portugal's supreme poet Camões was the first major European artist to cross the equator. The freshness of that original encounter with Africa and India is the very essence of Camões's vision. The first translation of *The Lusíads* for almost half a century, this new edition is complemented by an illuminating introduction and extensive notes.
