### Time Out Rome (Time Out Guides)

Written by local experts, *Time Out Rome* provides extensive coverage of the major sights — and then goes much further. Featuring everything from born-again trattorie to the burgeoning aperitif trend, it offers visitors the chance to experience the Eternal City as the Romans do. History in Rome is not confined to museums, basilicas and galleries — it tumbles out everywhere. And though the city is reassuringly compact, this does not stop the cultural onslaught from being utterly bewildering and exhausting. While some travelers may have to face the fact that they probably won't see everything, it is also important not to shut oneself up inside all day looking at collections and sites or you will miss all that the outdoor scene has to offer. *Time Out Rome* helps travelers navigate through the cobblestone streets, so that they can eat, drink and shop like the natives. Suggested side trips out of town are also explored.
