Canada

Mike Myers

Canada Mike Myers

In this instant national bestseller, comedy superstar Mike Myers writes from the (true patriot) heart about his 53-year relationship with his beloved Canada.

Mike Myers is a world-renowned actor, director and writer, and the man behind some of the most memorable comic characters of our time. But as he says: "no description of me is truly complete without saying I'm a Canadian." He has often winked and nodded to Canada in his outrageously accomplished body of work, but now he turns the spotlight full-beam on his homeland.

His hilarious and heartfelt new book is part memoir, part history and pure entertainment. It is Mike Myers' funny and thoughtful analysis of what makes Canada Canada, Canadians Canadians and what being Canadian has always meant to him. His relationship with his home and native land continues to deepen and grow, he says. In fact, American friends have actually accused him of *enjoying* being Canadian—and he's happy to plead guilty as charged.

A true patriot who happens to be an expatriate, Myers is in a unique position to explore Canada from within and without. With this, his first book, Mike brings his love for Canada to the fore at a time when the country is once again looking ahead with hope and national pride. *Canada* is a wholly subjective account of Mike's Canadian experience. Mike writes, "Some might say, 'Why didn't you include this or that?' I say there are 35 million stories waiting to be told in this country, and my book is only one of them."

This beautifully designed book is illustrated in colour (and *not* color) throughout, and its visual treasures include personal photographs and Canadiana from the author's own collection. Published in the lead-up to the 2017 sesquicentennial, this is Mike Myers' birthday gift to his fellow Canadians. Or as he puts it: "In 1967, Canada turned one hundred. Canadians all across the country made Centennial projects. This book is my Centennial Project. I'm handing it in a little late. . . . Sorry."

From reader reviews:

Mary West:

Information is provisions for folks to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider whenever those information which is in the former life are hard to be find than now is taking seriously which one is suitable to believe or which one typically the resource are convinced. If you find the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Canada as your daily resource information.

Michael Counts:

Spent a free time for you to be fun activity to complete! A lot of people spent their leisure time with their family, or their very own friends. Usually they performing activity like watching television, gonna beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your own free time/ holiday? Could be reading a book may be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to try look for book, may be the publication untitled Canada can be good book to read. May be it can be best activity to you.

Joseph Asher:

Playing with family in a very park, coming to see the water world or hanging out with pals is thing that usually you may have done when you have spare time, in that case why you don't try issue that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Canada, it is possible to enjoy both. It is great combination right, you still desire to miss it? What kind of hangout type is it? Oh seriously its mind hangout folks. What? Still don't obtain it, oh come on its called reading friends.

Douglas Stevens:

As we know that book is essential thing to add our know-how for everything. By a book we can know everything we would like. A book is a group of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This guide Canada was filled in relation to science. Spend your extra time to add your knowledge about your research competence. Some people has different feel when they reading the book. If you know how big advantage of a book, you can truly feel enjoy to read a reserve. In the modern era like at this point, many ways to get book you wanted.
