Moonstruck: Lies (Moonstruck Genesis) (Volume 2) Silver James

Hunters... Dr. Jacey Randolph just might be crazy. A rescued wolf is more than he seems and his ability to get into her head—literally—makes her doubt her sanity. When Colonel Joshua Harjo shows up on her doorstep with a wild tale that the wolf is actually Marine Captain Nathaniel Connor, Jacey must make a leap of faith—and jeopardize her heart—to get involved with the Wolf and a group of former Army SpecOps soldiers in full rescue operation mode. Wolves... Sean Donaldson answers an SOS from an old Army buddy and rides smack dab into the middle of a conspiracy. Murder and kidnapping are just the tip of the iceberg. Undercover, his best intentions are complicated by Annie Simmons and her son, Cody. What she doesn't know about the lies he's told can hurt her...and put Cody in danger. Lies... Secrets, lies, and betrayals are more personal under the full moon but when Wolves fight for their hearts, they'll risk everything to uncover the lies endangering those they love. Welcome back to the Moonstruck world with this second full length Moonstruck novel containing new and deleted scenes and chapters never before published, in addition to the previously published novellas, HUNTER'S MOON and WOLF MOON.
