Gregory Polster:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is being complicated.
