The Art of Eric Stanton: For The Man Who Knows His Place

The Art of Eric Stanton: For The Man Who Knows His Place Pulp art at its finest: A Stanton retrospective

“A woman has to be strong. The bigger the better.” —Eric Stanton

Eric Stanton (1926-1999) has been called “the Rembrandt of Pulp-Culture” and it’s not hard to see why—he is perhaps the brightest star of his genre. His imaginative, detailed full-color comic strip narratives picture buxom, leggy femmes fatales having their way with tied-up, handcuffed, or simply awestruck men. Stanton’s imagery is either an empowerment of female sexuality or a caricature of female-domination fantasy—depending on whom you ask—but there is no doubt that in Stanton’s world, women rule the land.

This **retrospective volume** covers Stanton’s work from the late 1940s until the 1990s, including **over 500 comic strips, single illustrations, and magazine covers**. Also featured is an in-depth introductory text exploring Stanton’s life and work by photographer Eric Kroll.

Text in English, French, and German
