Advance Praise for Trattoria Cooking "Who wouldn't love doing Biba's research, tracking down the simple, down-to-earth, tasty food that makes Italy such an irresistible destination? For everyone who wishes to know how it is done (and where to go in Italy to find it), she's written a cookbook full of delicious-sounding recipes from the trattorias where real regional cooking goes on. Her recipes are straightforward and easy to follow, and I particularly like all the good tips she gives, like little asides to good friends in the kitchen." -- Carol Field, author of *The Italian Baker* "My friend Biba has done it again with her new book in which she brings the trattoria scene to vivid life." --Giuliano Bugialli "If you are an insatiable cookbook collector, as I have been for the past thirty-odd years, you may feel that the last word has been written about all categories of food. I felt that way until I browsed through Biba Caggiano's *Trattoria Cooking* and was positively impressed that she does have a great deal of admirable things to add to the subject of Italian cookery. Her book is marvelously inspired and original and it would be an asset to anyone's library." --Craig Claiborne "Biba Caggiano's *Trattoria Cooking* brings out the Italian in all of us. Her simplicity of method and use of fresh wholesome ingredients make every recipe exciting. *Trattoria Cooking* has Old World quality and authenticity, making every dish a winner." --Bradley M. Ogden
