I want to leave town

I want to leave town

I want to leave.

Jack and Annabel have decided to put off university and drive around the country. It all seems wildly romantic, but when their car dies two days into the trip, they end up at George's apple orchard, figuring it's just a temporary place to stay and earn some money.

And at first it is. They fill bins with tart, crunchy apples all day, and drink cold beers while snuggling in the hayloft at night. But then Jack recognizes something in George's family that his own family suffered from. So Jack and Annabel decide to stay for a while. They're not sure how to help, but they know they want to try.
